## **Awesome Weekend!**

**This past weekend your Mooserider State Board met with District 12 at the Wytheville lodge to discuss the upcoming State Rally. This get together went very well. We now have a game plan for having a Virginia Mooserider State Rally.**

## **September 13 - September 16, 2012 Mark this on your calendars!**

**In attendance to our meeting was the Mayor of Wytheville Trent Crewe along with members of District 12 Mooseriders, around 20 members. I was very impressed with the Mayor and the support of the town of Wytheville. They are very excited we are going to have our event in their town and they will be very accommodating to us. Also, your Mooserider Board met with Ron Porter with Safe Surfin to come up with a game plan for the rally. Our main theme for this event is Safe Surfin. We are hoping to attract someone or people of importance and this may happen, but we will not spill the beans until we have definite answers.**

**We want all you guys and gals to know your Mooserider State Board is working very hard to make Virginia Mooseriders special. We have been saying we are a new 21st century freight train whistling full steam ahead and we would love to have everybody on board with us.**

## **A new District**

**On our weekend adventure your Mooserider State Board traveled to District 13 and met with members interested in Mooseriders. We had a few in attendance and some who could not make it, but want to be a part of our group. I must put out a special thank you to Tom Watson of Abingdon a member of Washington County Family Moose Lodge for putting together a meeting and showing us great hospitality.**

**While there we signed up new members and Tom will be signing more this week. District 13 thank you for climbing on the freight train.**

## **Update**

**Your Mooserider State Board has raised another \$100.00 to add to the money we have already raised for Special Olympics. Our total is now \$ 1,126.68, so come on Mooseriders get crack-en. As for the Special Olympics we have been throwing around the idea of having a poker run on that Saturday with a guaranteed high hand payout and doing blessing of the bikes after the poker run then joining in on the opening ceremonies. This is just an idea at this point.**

**We want everybody to know that we are working hard to make the Virginia Moosriders great. I hope all of you guys can see what we are doing for our Moose members motorcycle community. We are making big efforts to get to every district and promote and to prove that we are organized and we are here to stay and to support you on being a Mooserider.**

**If you have any questions or comments please feel free to email one of us. Our email addresses are on the website [www.vamoosriders.com](http://www.vamoosriders.com).**

**Thank you,**

**Steve Baxter  
VMR State Chairman**
