### Workplace Giving Through United Way

If you participate in a United Way giving campaign that allows donor designation of your payroll deduction you may be able to select Moose Charities as the beneficiary of your United Way gifts. If Moose Charities is not listed as a member agency, please contact the campaign coordinator to see if you can write in Moose Charities to be considered for your gift. If you are able to write Moose Charities as your choice please provide the following information: Moose Charities, Inc., 155 S. International Dr., Mooseheart, IL 60539 and the federal tax-identification number (36-3993740). As procedures do vary with each local or regional campaign, please verify that you completed your designation correctly.

### Mooseheart Can Now Be Designated in Food Lion's "Lion Shop & Share" Program

Once we have 25 or more people designate Mooseheart Child City and School as their preferred Lion Shop & Share recipient, our children will be able to benefit from the routine shopping that our members already do at Food Lion Stores.
