

**PRESENTATION OF THE
2009 PREMIER LODGE AWARDS
121ST INTERNATIONAL
CONVENTION
CHICAGO, IL – MAY 25, 2009**

It is now time for the announcement of the winners of the 2009 Premier Lodge Awards. For lodges announced today as having earned the Premier Lodge Award, your awards will be shipped to your Associations for presentation at your upcoming Annual Conventions.

Lodges not announced today, but feeling they may have qualified, must submit a written request for review within thirty days of this announcement. All requests for review must be received by July 1, 2009. Send requests to the attention of Henry Houck in the Department of Fraternal Programs at Moose International. Supporting documentation must accompany the written request for review. Finally, because all records are maintained at Moose International, inquiries from lodges not announced as earning the Premier Lodge Award cannot be answered until June 1, 2009.

For the announcement of this year's Premier Lodge Award recipients, General Governor Steve Greene will announce the Bronze level winners; Director of Membership Darrell O'Brien will announce the Silver level winners; I will announce the Gold level winners; and Director General Bill Airey will announce the best of the best, the Platinum level winners.

We proudly present the lodges that have earned the Premier Lodge Award for 2008-2009.
