Welcome to the Moose!

The application you submitted to <<FRUName FRUType #FRUNum>> has been favorably voted upon, and I am pleased to inform you that in about 10 days you will be receiving your *Moose Welcome Package* in the mail. **Your new Moose membership card is in this package.** The welcome package also includes important information about our fraternity in both printed and DVD video formats. Additional Information may be obtained by visiting the www.mooseintl.org website. You can access the members-only section using your Moose ID Number <<Moose ID#>> and the Password <<current password>>.

As a Moose member you are now entitled to discounts on a variety of services. To enable you to begin taking advantage of these discounts, we have included within your package a *Moose Member Benefits* brochure. Please take time to review this brochure to learn of the many opportunities that are now yours.

Finally, we are including within your package a *Moose Membership Application* so that you may share the benefits of membership in our Order by sponsoring one of your friends, relatives or business associates.

We hope that you have had the privilege of receiving information from <<FRUName FRUType>> regarding meetings and other social activities that they host for the benefit of all of their members. You should share this information with those you would consider extending an invitation to join the Moose.

Thanks for joining with us and supporting our program of caring for kids, looking after senior members, bringing communities closer together and celebrating life! You will, in fact, make a difference!

Cordially and Fraternally
