

Dear <<First Name>>,

Welcome, and congratulations on becoming a member of the Women of the Moose, one of North America's leading women's organizations! We are delighted that you have chosen to join us in our service to children and senior members.

For nearly 100 years, the Women of the Moose have played a major role in the support and maintenance of Mooseheart, our 1,000-acre *City of Children* in Illinois, and Moosehaven, our 72-acre retirement community in Orange Park, Florida. We are proud of the role we play in caring for children in need, looking after senior members, bringing communities closer together and celebrating life.

You are now eligible to enjoy the many social, sports and family activities we make happen, and to save considerably more than the cost of your annual dues, through our member benefits program! You will soon receive your *Moose Welcome Package*, **which includes your membership card**, and provides you information about our Order and your many benefits of membership, both in written and DVD formats. Please take a few moments to review this exciting information.

You now have immediate access to up to the minute information regarding the Women of the Moose and the other units which make up our Order by visiting our web page at www.mooseintl.org. You can enter the *Members Only* section, using your Moose ID Number <<Moose ID#>> and the current password "<<password>>".

Thank you for your decision to join the Women of the Moose. Within your Moose Welcome Package is a new member application form. Please take a moment or two and invite your friends, relatives and business associates to join with you in making a difference in the lives of others!

Cordially and Fraternaly,

Barbara J. McPherson
