

# Has Anyone Told You How to DOUBLE Your Giving?

## Matching Gifts Program

Double or Triple the Value of Your Gift With Employer Matching Dollars! If a company with a matching gift program employs you, or your spouse, you may be able to double or even triple the value of your gift – at no cost to you. Moose Charities, Inc. is recognized by the United State Internal Revenue Service as a qualified 501(c) (3) nonprofit organization. Many employers will match employee donations on this fact alone. Many employers match gifts to support “social service organizations.” Mooseheart and Moosehaven both perform broad social service functions that can qualify for employer matching dollars. Employers may also match gifts to various types of school operations. Mooseheart is formally known as “Mooseheart Child City and School” and operates as a school for children from Kindergarten through 12th grade.

### *It's Easy to Do...*

Simply ask your Human Resources representative for the proper matching gift form. Let them know that Moose Charities is a qualified 501(c) (3) nonprofit organization. Complete the form. (Usually all that is required is your name, address, and the amount of your gift.)

Send the form to Moose Charities following your gift (or include it in the same envelope with your gift). Mail it to: Moose Charities, 155 S. International Drive, Mooseheart, IL 60539-1100.

**Moose Charities will take care of the rest!**
