

COMMUNITY SERVICE NOTICE

The VMA Lodges have led the Fraternity for years in total Community Service donations – an accomplishment that we can be proud of. The fourth quarter ended April 30th and the reports are due by May 15th, but remember the 15th is on Saturday so please send in the reports by Friday the 14th. It is very important that these reports are turned in so that an accurate accounting of all donations can be made.

The results of the first three quarters were down but we can still make a good showing for the Lodges of the VMA and do what we are known for in the Fraternity –**LEADING**. Remember our Lodges are not the only ones suffering from the bad economy but we can lead the Fraternity in Community Service Reporting just by reporting all the good we do. There are Lodges that do so much for their communities but **FAIL** to **REPORT** their good deeds – **IF** you do the work, **REPORT** it and get the **CREDIT** for it.

REPORT, REPORT, REPORT

Fraternally,
Charlie Curtis, VMA Community Service Chairman
