April 21, 2010

Mr. Rusty Byrd, President  
Virginia Moose Association, Inc.  
804 Thimbley Drive  
Newport News, VA 23608

Dear Rusty and Members of the VMA,

Please forward my appreciation to the members of the Virginia Moose Association for their recent gift of \$16,199 which was generated from the recent Mid-Year Conference. As you already know, these monies go into the Moose Fund to support research at the Massey Cancer Center.

The generosity of the Virginia Moose members helps us remain one of only 65 cancer centers to be designated by the National Cancer Institute, placing Massey in the top five percent of all U.S. cancer centers. It is extremely gratifying to me that the Moose members are extremely supportive of the Massey Cancer Center even with the downturn in the economy. We are greatly appreciative of the members continued involvement in the work being done at Massey.

Please urge your members to use our Website for great information on the Center itself along with important information on the many diseases known as cancer, the treatments, and control and prevention — visit: [www.massey.vcu.edu](http://www.massey.vcu.edu). Thank you again — I look forward to seeing you again soon.

With appreciation,

Gordon D. Ginder, M.D.  
Director, Massey Cancer Center  
Lipman Chair in Oncology
