

Brothers, Thanks to all of you who played and supported the Special Olympics Tournament on Friday.

It is members such as yourselves that makes the VMA what a wonderful organization that it has become.

On behalf of the VMA Special Olympics Committee, I say that what you did on Sunday by donating the golf fees to the event is just simply wonderful.

We will collect around \$4000 for both days and that will help us when the lodges are struggling to donate as much as they have in the past.

I hope we can keep this event going for the future of Special Olympics.

**Thanks
Andy Dooley
Chairman**
