

Mooseheart & Moosehaven

“Not an Option”

“It Is Our Commitment”

TO: LODGES, CHAPTERS, DISTRICTS AND MOOSE LEGION MEMBERS:

All of us have heard and, at one time or another, have made comments about our economy, job losses, and uncertainties in the financial markets. Well, my Brothers, talk is indeed cheap. Let's not kid ourselves, for we must lead the way in obtaining monies for Mooseheart and Moosehaven. Brothers, we must continue to be as aggressive as we can, to make sure that we can meet Mooseheart and Moosehaven needs. I know it isn't easy, but, every dollar you donate to the Endowment Fund, contributes towards success. This is not an option, but it's our commitment to a better future for our children and seniors.

I want to personally thank each and every Lodge, Chapter, District and Moose Legion members for all their efforts in collecting of the Endowment Fund, when called together for a meeting and other activities. Please continue to emphasize the importance of the Endowment Fund. We must not fail in our attempts to help our children and seniors. Failure to do this is **“not an option”, “It is our commitment”!**

Fraternally,
Jack M. Lancaster, Jr.
VMA Endowment Fund Chairman
