

Why YOU Should Donate \$36.50 NOW!

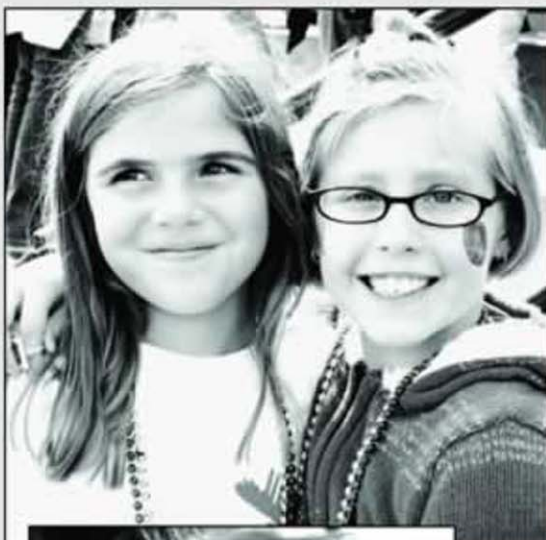

Giving to the Gimme 5 program is committing to their futures.

YOU committed to giving of your energy and substance in support of Mooseheart and Moosehaven when you became a Moose member.

YOU invest in the Gimme 5 endowment campaign for Mooseheart & Moosehaven.

Your money is received by Moose Charities, placed in an endowment fund and invested to support and sustain our beautiful campuses for future generations.

YOU secure the future operations of Mooseheart and Moosehaven – for children in need of a nourishing home and solid education and for senior members of the fraternity in need of a safe and healthy environment when you donate to the Gimme 5 Endowment Campaign. The income from the endowment fund can be used in the future to meet ongoing expenses and cover capital expenditures.

YOU donate to build a Gimme 5 Endowment Fund large enough to guarantee the future needs of Mooseheart and Moosehaven when you donate \$36.50 or more.

YOU can ask 10% of your Lodge and Chapter membership to begin participating in the “Gimme Five” Endowment Campaign. When these members give their first \$36.50 to Gimme Five during this fiscal year, your Moose Home will qualify to receive a beautiful framed custom collage of Mooseheart or Moosehaven for all your members and their guests to view.
