

## MOOSE LEGION MEMO....

### 2011-12 Annual Moose Legion Project Preliminary Announcement

#### TWO VANS & TWENTY-ONE COMPUTERS

The Moose Legion Council has accepted and authorized the annual project for the 2011-2012 fiscal year. We are happy to announce the preliminary details ahead of the conference in Anaheim so our jurisdictions that are eager to get started raising funds can start to Create Some Interest in achieving this goal.

Mooseheart is in need of 2 additional passenger vans at an approximate cost of \$33,000.00 each and 21 office computers at about \$1,000.00 each. That is a combined amount of \$87,000.00 needed to complete this project.

Each jurisdiction is requested to raise funds in an amount of \$1.75 per active member as of April 30, 2011. This keeps the amount per member at the same level as last year. Of course the opportunity for early fund raising efforts and payments can result in discounts again this year, saving your jurisdiction some money.

Each jurisdiction completing their goal and submitting full payment prior to November 30, 2011 will be allotted a 20% discount. Each jurisdiction submitting full payment prior to February 28, 2012 will be allotted a 10% discount. We will be sending a letter to each unit advising them of these numbers.

Additionally we will continue the gracious collection of contributions from all jurisdictions for the Youth Awareness Scholarship program. As in past years each jurisdiction is to contribute 50 cents per active member. These scholarships are awarded to participants in the annual international congress. There are 5 scholarships awarded: \$12,000, \$8,000, \$5,000, \$3,000, and \$2,000 for a total of \$30,000.00.

A letter will be sent to each Secretary confirming your amounts for these programs. We look forward to your participation and completion of these annual programs to make life better for the students at Mooseheart.

The incoming International President will also run a President's Project to purchase lawn-mowing equipment for Camp Ross. This project will be a \$15,000.00 effort to help keep the grounds in good shape for our students to use during the summer.

On another note, we will continue with the Endowment Fund Competition again this year recognizing jurisdictions in each of the six categories. Updates will be posted on the website to see how you are doing. Good luck to all.

Complete details on these items will be presented in Anaheim at the 45<sup>th</sup> Moose Legion Conference. Contributions can be sent to Moose Charities for all these programs starting immediately. Lets Create Some Interest and get these efforts moving forward.
