

# VERONA MOOSE FAMILY CENTER #2172

September 29, 2011

Virginia Moose Golfers,

Verona Moose would like to thank each and everyone who participated in this year's golf tournament which was held at Ingleside Resort and hosted by our Lodge. The fellowship and Moose friendship was absolutely outstanding and will be cherished memories for life!

We certainly hope that everyone can make it back to our Lodge and visit on any occasion and spend time with us again. Events like this make being a Moose member all the worthwhile in each day of life.

If we can be of any assistance to anyone traveling within this area at any given time, please don't hesitate to call or drop by. We believe in being the same Moose brothers and co-workers for years to come this fraternity and after.

In closing, thank you for your support, your friendship and thank you for being a great group of folks that came to town to share a wonderful weekend with us at Verona. God Bless and hope to see ya soon!

"We Can Because We Care"

Sincerely and Always,

Rodger Huffman, Administrator – VMA State Treasurer
