Official Communication for November 1, 2011

#### Mooseheart Red Ramblers Reach Second-Round Of Football Playoffs For 1st Time in 26 Years

The Red Ramblers won their first-round football playoff game against the Princeville Princes 37-14. As the smallest football school in IHSA Class 1A, both in enrollment and the physical size of our players, every game from here on out will be tougher than the previous one. Last week our Ramblers were supported by hundreds of Moose members to celebrate Mooseheart Founder's Day.

Mooseheart has never advanced beyond round two in the football playoffs. All Moose members within a reasonable drive of the Mooseheart Campus are encouraged to come out on Saturday evening, November 5, 2011, to cheer on the Mooseheart football team. Kickoff is scheduled for 5:00pm against the Peru (St. Bede) Bruins. Our team has played proportionally well relative to the noise level of the crowd in their support. Here's your chance to get loud and proud as you cheer the Ramblers toward another victory.

Admission is normally free for Mooseheart home games, but is mandated to be \$5 by the IHSA for all second-round playoff games. See you Saturday!

#### Mooseheart Honored As "Muscle Milk" High School Team Of The Week
