

Message from your Virginia Moose Association President

09/01/2011

Brothers

Thanks to each and everyone for your help with membership, the numbers thru July looks good.

The new campaign theme will be announced very soon and will be effective from May 1, 2011 thru April 30, 2012.

We are currently working on the retention program for the same time frame and that also will be announced very soon.

Hopefully all of the lodges have completed your lodge safety inspection form and submitted to Moose International and if not your time is expiring very quickly.

Please make plans to send your Governor and Administrator to the seminar in Las Vegas on Jan. 5-8, 2012, because they will have an opportunity to offer suggestions of how this fraternity should operate in the future.

Please keep up the good work and don't forget the upcoming Youth Awareness Schools and you can find the information on this on this site.

Fraternally Yours

Andy Dooley

Virginia Moose Association State President
