Brothers ALL,

Needless to say that when our President Andy Dooley sent me these 2 attachments I was shocked, embarrassed and totally taken aback as I looked at the "NO REPORT" list. Twenty seven percent (27), remember that number, of our Virginia Moose Association did not fill out a Community Service Report Form. One piece of paper for GOD's sake and one envelope and one stamp. How difficult can that be? We are half way through the Moose year and I am not going to find out how difficult it is, but show you how EASY it is. See you in NORVA.

PS: For the 73% that did GOOD, EXCELLENT or SUPERIOR, all I can say is Bravo Zulu, Can Do and Well Done my Brothers, I love you all!

Fraternally,
Wally Johnson
Community Service Chairman
