of  
Chapter Officers  
Handbook  
for  
Service Chapters*

Updated May 2011

## FORWARD

### **Co-workers:**

The new nomination and election procedures are in force and effective with the 2010 Annual Election of Officers. Please familiarize yourself with this Handbook, the General Law changes relevant to the election as well as the new Election Procedures.

This Handbook is intended to be a useful tool to provide you with information and guidelines that will not only clarify the process to elect officers, but ensure a smooth transition of officers with optimal efficiency for the Service Chapter and its membership.

This Handbook in no way supersedes the General Laws of the Women of the Moose, currently in effect, which should be read in its entirety, specifically Section(s) that explain the Nomination and Election process.

We hope this Handbook will answer any questions you have regarding the Nomination and Election process. However, if you are confused or still have a question about the procedures involved you should:

- (1)** Study the General Laws and this Handbook to clarify the point of issue in question.
- (2)** After studying the General Laws, if you are still unsure or unclear on the point or issue, talk with other experienced members (i.e. Past Presidents/Regents, Chapter Analyst Coordinator or Women of the Moose Training Leader).
- (3)** After exhausting (1) and (2) above, if time allows, submit your question in writing, to the Grand Chancellor's office for clarification. If not and time is of the essence, call the Grand Chancellor's office for assistance at (630) 966-2243. Written questions may be faxed to (630) 966-2211.

**Good Luck!**

## CHAPTER ONE

### INTRODUCTION

#### A. Purpose of Elections.

Every Service Chapter is required by the General Laws to hold an election of officers in March of each year. The only exceptions are: (1) a newly instituted Service Chapter or (2) based upon membership action, has received written approval, in advance, or (3) because of an emergency situation requires the election to be changed or waived.

The elected officers of the Service Chapter consist of: President, Vice-President, and Secretary/Treasurer. The election of officers is important because Service Chapter members are electing the Co-workers who will lead the Service Chapter for the subsequent year.

Should one of the elected offices become vacant, it is necessary and in the best interest of the Service Chapter to fill the vacancy by election, regardless of when the vacancy occurs. The President does not have the authority to appoint elected officers.

A progression through the chairman's chairs of the Service Chapter is recommended for the best interest and success of the Service

Chapter. While it is not mandatory, in those cases where progression through the chairs is followed, more qualified and experienced officers are elected resulting in continued good business practices in the Service Chapter.

However, if this is not possible, the information in this Handbook and the "Question and Answer" section should be carefully reviewed to avoid any possible misunderstanding or confusion in connection with the nomination and election of officers.

This information should be made available to the Nominating Committee prior to its meetings. Consequently, many questions can be settled immediately, which would otherwise require correspondence and delay if referred to the Grand Chancellor's Office for decision.

We are confident that if you properly understand this information, the nomination and election of officers will proceed in a correct manner and cooperation and harmony will prevail within the Service Chapter and its membership.

## CHAPTER TWO

### NOMINATING COMMITTEE

#### A. Appointment.

The Nominating Committee is probably one of the most important committees of the Service Chapter. The success of the Service Chapter depends to a great extent on this committee nominating good officer candidates for election by the membership. Members of the Nominating Committee should not consider this duty lightly. Careful evaluation should be given to individual qualifications (with particular emphasis on leadership ability), and the willingness of each individual to contribute her time and effort to the best interests of the Service Chapter.

The President shall appoint the Nominating Committee not later than the Service Chapter meeting in January for the general election. The committee must give a verbal report at each Service Chapter meeting.

The Nominating Committee is composed of the following eight (8) Co-workers:

1. **The current Board of Officers (3) of the Service Chapter.**
2. **Three (3) Past Presidents/Regents in their order of juniority by service in that Service Chapter. (If the Service Chapter has so many available. This does not include Past Presidents/Regents who transferred in to your Service Chapter.) Past Presidents/Regents eligible to serve on the Nominating Committee but who live out of town or cannot attend the Nominating Committee meeting because of illness shall be replaced by the next Past President/Regent in juniority.**

3. **Two (2) members of the Service Chapter to be appointed by the President, who are either committee chairmen or Past Presidents/Regents (includes Past Presidents/Regents who have transferred in to the Service Chapter as well as other Past Presidents/Regents of the Service Chapter).**

The President of the Service Chapter generally presides over this committee, but if the President is absent, the Vice-President will preside.

#### B. Procedure.

To properly perform its duties, the Nominating Committee **must** hold at least three (3) meetings. During the first meeting the general rules of procedure to be followed by the committee should be established. All actions of the Nominating Committee shall be by a majority vote. (A majority vote is reached when over 50% of those in attendance are in agreement.)

The Nominating Committee's primary responsibility is to select at least one (1) qualified member for each of the elective offices to be filled. Any nomination must be based upon the member's qualifications, her desire to run for office and her availability to serve. The committee may nominate more than one (1) member for a particular office for the membership's consideration.

To provide for open and candid discussions regarding the qualifications of members desiring to be nominated for office, comments made by committee members during meetings of the Nominating

Committee shall be held in the strictest of confidence.

### **C. Reporting.**

A written report listing the final slate of nominees by office must be presented to the Service Chapter at a regular Service Chapter meeting. This report must be submitted at least two (2) weeks prior to the date of the general election. No nominations may be made from the floor. The written copy of the Nominating Committee Report must be attached to the Service Chapter meeting minutes. A sample report of the Nominating Committee is included in the "Forms" section of this Handbook labeled as such. After the written report has been given to the Service Chapter, the Nominating Committee is automatically dissolved. Subsequent elections require the formation of a new committee if possible.

### **D. Vacancies.**

If a vacancy should occur in any elective office, the Nomination and Election process must be followed to fill the vacancy. (Three meetings are not necessarily required after the general election.)

All vacancies shall be announced at a Service Chapter meeting by the President and filled by special election. The President must appoint a Nominating Committee whenever a special election is required by virtue of a vacancy due to a death, resignation or forfeiture of an office. The reformation of the Nominating Committee is a new committee appointed in accordance with the General Laws of the Women of the Moose. The Nominating Committee is not a standing committee.

In those situations requiring a special election, the Nominating Committee should perform its responsibilities promptly and should deliver its report to the Service Chapter at a Service Chapter meeting as quickly as possible after its appointment and organization. The special election may be held not less than twenty-seven (27) days following the written and verbal report of the Nominating Committee. A dispensation to waive this requirement may be secured from the Grand Chancellor.

The Grand Chancellor or General Governor may declare any office vacant for a violation by the office holder of the General Laws or policies of Moose International and appoint a qualified member of the Service Chapter to fill the vacancy created.

## CHAPTER THREE

### ELECTED SERVICE CHAPTER OFFICERS

#### A. Responsibilities Of Officers.

The Nominating Committee should familiarize itself with the various duties and responsibilities of each office in order to convey the information to prospective candidates. Primary responsibilities include:

##### **President:**

She shall preside at all Service Chapter meetings, preserve order, apply and enforce all laws of the Women of the Moose and appoint Committee Chairmen and the various special committees of the Service Chapter, as required by the Women of the Moose General Laws. She shall be a member of most other Service Chapter committees and oversee the proper operation of the Service Chapter. She and the Secretary/Treasurer shall sign all checks.

The President may impose reasonable fines upon Service Chapter members for offenses or misconduct committed in her presence in meetings or anytime during Service Chapter sponsored activities. Any member failing to pay the fine within thirty (30) days after written notice may be dropped from the rolls of the Service Chapter.

She may declare any office vacant, if the office holder has had three successive unexcused absences.

##### **Vice-President:**

In the absence of the President, she presides over meetings of the Service Chapter. In case of a vacancy in the office of President, she shall serve as pro-tem President and perform all the duties and responsibilities of the office of President.

She may declare the office of President vacant if the President is absent from three (3) successive regular meetings of the Service Chapter, Board of Officers' or a combination thereof without being excused.

It is her duty to visit the sick, disabled and distressed whenever possible, and make a full report at each Service Chapter meeting. She shall contact the family of a deceased member and when requested, make the arrangements for the Women of the Moose memorial services.

##### **Secretary/Treasurer:**

She shall properly document the minutes of all meetings of the Service Chapter, and with the President, be custodian of all securities and perform all other duties required of her by the General Laws of the Women of the Moose. She and the President or Vice-President, shall sign all checks.

The Secretary/Treasurer is responsible for the proper collection and deposit of all Service Chapter funds as well as the expenditure of any funds. It is her responsibility to ensure that all membership applications and information is handled in the required manner as established by the International Office of the Women of the Moose.

Each month, she shall make the financial information available to the Audit Committee for the purpose of auditing the proper documentation of all receipts and expenditures. Upon completion of the audit, she shall transmit the required information to Moose International.

In the absence of the President and Vice-President, she presides over meetings of the Service Chapter.

**B. Qualification.**

Only Service Chapter members, whose dues are paid and are in good standing, may be considered for an elective office. To be an elected officer of a Service Chapter, the prospective officer must be a member of the Service Chapter in which she is seeking office. A member is not eligible for any elected office unless her membership in the Service Chapter in which she seeks office is equal to or exceeds six (6) months preceding the date of the election. (This does not apply to a newly instituted Service Chapter.)

Any exemption from these qualifications requires a special dispensation from the Grand Chancellor and will only be granted if all other means have been exhausted. A special dispensation will only be granted after the Grand Chancellor receives a Dispensation Request form signed by the Board of Officers stating that no other qualified member has applied for that specific office.

The **Dispensation to Waive Requirements to Nominate an Elected Officer** in the “Forms” section of this Handbook can be used to request a dispensation for a member who has less than six (6) months service in the Service Chapter if the Nominating Committee desires to consider her for nomination.

**C. Eligibility Requirements.**

Any member desiring to run for an elective office shall submit her name to the Nominating Committee at least one (1) week prior to the date the Nominating Committee is required to read the final slate at a regular/general Service Chapter meeting.

(Suggested format for submitting name for consideration by the Nominating Committee)

A member under suspension because of disciplinary charges preferred against her is eligible as a candidate for election to office if her dues are current and she is not otherwise disqualified. If found guilty of a charge affecting her membership, the office shall be declared vacant and the Service Chapter shall proceed to fill the vacancy in accordance with the Women of the Moose General Laws. No member shall be eligible for nomination to more than one (1) office in the Service Chapter at the same time.

Any Co-worker may submit the name of any member for an elective office providing she has secured the Co-worker’s consent.

#### **D. Ineligibility.**

Any member removed from office by the Grand Chancellor for disciplinary reasons, or who resigned from office at the request of the Grand Chancellor, is not eligible to hold office again for a three (3) year period except upon prior written dispensation from the Grand Chancellor. If the penalty fixed on a

disciplinary charge is "Removal from Office", by an assigned Commissioner, the removed officer shall thereafter be ineligible to hold any office except by special dispensation from the Grand Chancellor. An office declared vacant in accordance with the Women of the Moose General Laws is not considered a "removal" from office.

## CHAPTER FOUR

### PETITIONING

#### A. Requirements/Eligibility.

Any eligible member who has submitted her name to the Nominating Committee for a specific office and is not nominated, and who desires to be nominated for that office, may have her name placed upon the official ballot, by valid petition, for that office only, after a qualified nominee has been secured.

If the Nominating Committee nominates a member for a particular office and the member declines to run for that office, she may not later change her mind and run for the same office by petition. A member nominated for an office to which she did not express an interest and who has declined the nomination for that office, may be considered for another office by submitting her name to the Nominating Committee for the office she desires. If she is not nominated for the office she seeks, she may submit a valid petition for that office.

The petition must contain signatures of at least ten (10) percent of the Service Chapter's membership. It is in the best interest of the petitioner to secure an active membership total from the Secretary/Treasurer to determine how many signatures are required. All signers must be current and not in arrears for dues at the time of signing the petition. The petition must contain the member's printed name, Moose membership identification number, signature and the date she signed it.

#### B. Procedures.

Petition sheets, similar to the **Petition** found in the "Forms" section of this Handbook can be obtained from the Service Chapter Secretary/Treasurer or online at [www.mooseintl.org](http://www.mooseintl.org) after the close of the meeting at which the Nominating Committee announces the final slate of nominees. Any signatures appearing on a petition prior to the report of the Nominating Committee are invalid and void.

The properly completed petition must be delivered to the Secretary/Treasurer or President at least one (1) week before the regular or special election. No Co-workers of the Service Chapter shall be involved in any electioneering or petitioning to have a name placed on the ballot that was not previously submitted to the Nominating Committee. Petitions may be circulated on lodge property, if applicable, in accordance with reasonable rules established by the House Committee. Reasonable rules usually include a prohibition against circulating a petition at lodge meetings, special social events, during meals, etc. Petitions may only be circulated by Chapter members.

#### C. Invalid Petitions.

No petition shall be honored that carries signatures placed upon it prior to the official report of the Nominating Committee to the membership at a Service Chapter meeting.

## CHAPTER FIVE

### CAMPAIGNING

#### **A. Policy.**

The printing, circulating or distribution of resolutions, letters, tickets, other written or printed matters, or through any electronic media (email, social networking, websites, blogs, etc.) by a member or anyone acting on her behalf, suggesting, recommending, opposing or containing the names of any

proposed candidates for office, is strictly prohibited. Electronic media does not include the use of the telephone. For any violation of this section, the Grand Chancellor may suspend the membership of the offending member(s) and, declare the election of such officer(s) void and order a new election. Verbal campaigning is allowed.

## CHAPTER SIX

### ELECTION COMMITTEE

#### A. Appointment.

The President shall appoint an Election Committee composed of three (3) good standing members of the Service Chapter, who are not officers, candidates for elective office or members of the Nominating Committee. They shall conduct the election, pass on all questions concerning the election, count the ballots and make written report to the Service Chapter of the election results.

#### B. Procedure.

The Election Committee is responsible for security and at no time shall any ballots or the ballot box be left unattended by a member of the committee. The committee must ensure that only current members of the Service Chapter are allowed to vote. Ballots should be counted (not numbered) to verify the number of members voting with the number of ballots used. The ballots shall remain in the possession of the Election Committee for a period of seventy-two (72) hours after the election. The ballot box must be sealed and initialed by the Election Committee members. If there is no written challenge to the election within seventy-two (72) hours, the ballots shall be destroyed by the presiding officer.

#### C. Reporting.

Upon completion of the voting, the Election Committee will retire to the back of the

Service Chapter room to count the ballots. After the ballots have been tallied, the Election Committee prepares, signs and files a written report with the Service Chapter. The presiding officer verbally reads the report to the Service Chapter without disclosing the number of votes each nominee received.

A sample report titled is **Election Results** is included in the "Forms" section of this Handbook. It is required that each member of the committee sign the report and the report be attached to the Service Chapter minutes.

#### D. Election Challenges.

If a written challenge is made to a member of the Election Committee within seventy-two (72) hours of the closing of the election, they shall impound the ballots pending final determination by the Election Committee, the Grand Chancellor or her designated representative. Challenges or complaints regarding the election process **must** be made to the Election Committee. The challenger must be allowed to witness the recount along with the Election Committee.

(Reminder - The Election Committee must keep a record of all ballots issued. The ballots shall **not** be numbered. After the election has been decided, the ballots must be held for at least seventy-two (72) hours in the event a challenge is made.)

## CHAPTER SEVEN

### VOTING/ELECTION

#### A. Unanimous Ballot.

For those offices having only one (1) nominee, the Service Chapter shall dispense with the necessity of a paper ballot and conduct the election during the Service Chapter meeting, with the Election Committee Chairman requesting a motion to cast a unanimous ballot for each office with only one (1) nominee. Voting to accept the motion may be done using a show of hands or a secret ballot. This must be announced at a regular/general membership meeting prior to the election and should immediately follow the Nominating Committee's written report of the nominees selected. When the Election Committee Chairman makes a motion to cast a unanimous ballot, the motion must receive a second and a majority of "yes" votes to elect the nominee. If the vote is unfavorable, the nominee is not elected. The entire Nomination and Election process must be followed to fill the vacancy. In the event of a "tie" the motion does not pass and the nominee is not elected. The Nomination and Election procedure must be followed to fill the vacancy. A motion to cast a unanimous ballot is designed to streamline the election process and alleviate the unnecessary use of a paper ballot.

If a unanimous ballot has previously been announced for election of uncontested offices, this method must be used for **all** uncontested offices. At the beginning of the meeting when the election is held, the chairman should read to the membership the Nominating Committee's report of the committee's nominees who have no opposition. The chairman will call for a motion to cast a unanimous ballot for each respective office and to elect those uncontested nominees for the offices specified.

#### B. Paper Ballot.

A paper ballot must be prepared and an election held prior to the Service Chapter meeting, for each office having two (2) or more nominees (nominated by the Nominating Committee or by petition). A sample of a paper ballot is included in the "Forms" section of this Handbook as **Sample Ballot**. If there are two (2) candidates for an office to be voted on, the candidate receiving a majority of votes cast for each office is declared elected. If more than two (2) candidates are on the ballot for any office, the candidate receiving a plurality of votes cast is declared elected. A unanimous ballot or election by acclamation is not appropriate in a contested election.

#### C. Australian Ballot.

A Service Chapter may by majority vote elect to use the Australian ballot. This is a ballot extending over a period of time, usually several hours versus being conducted within the hour prior to the meeting. This type of ballot can be useful to Service Chapters with shift workers and other situations whereby it is difficult for some members to attend meetings. Obviously, this decision must be made in advance of the election. A vote to use the Australian ballot may be held at any regular/general membership meeting prior to the election including the meeting at which the report of the Nominating Committee is made. During the vote to utilize the Australian ballot, the location and hours of balloting must also be established. If time permits, hours and location of the balloting should be published in the Service Chapter newsletter. This same information should be posted on the Service Chapter bulletin board or inside the Moose Home.

The vote to utilize the Australian ballot must precede each general or special election by at least two (2) weeks. **The election may not be held on any day other than the day of a regular membership meeting.**

**Important:** If the Australian ballot is used and the election is contested and declared void by the Grand Chancellor, the Service Chapter will thereafter be prohibited from using the Australian ballot unless a special dispensation is issued by the Grand Chancellor.

#### **D. Election.**

The general election shall be held at the meeting in March, providing the election follows the report of the Nominating Committee by at least two (2) weeks. Even if there is only one (1) candidate for each office, an election must be held. The election cannot be waived by the Service Chapter.

Election Committee member #1 is assigned at the entrance of the election area. She asks Co-workers to have their membership cards ready and directs Co-workers to "Table A". The Co-worker shows her paid up membership card, registers in her own handwriting and receives a ballot from Election Committee member #2 who is seated at "Table A". The Co-worker then proceeds to "Table B" which is set up for secret balloting. The Co-worker marks and folds her ballot and proceeds to "Table C" where she places her ballot in the box where

Election Committee member #3 is seated.

If the election is held during the hour preceding the Service Chapter meeting, (versus Australian ballot method) a member arriving late is not allowed to vote in the election but is allowed to vote in the event of a tie vote. Only members who have their dues paid up to or beyond the date of the election and are in good standing are eligible to vote in the election of officers.

A member may only vote for one (1) candidate for each office. No absentee ballot, write-in ballot or proxy shall be allowed. Each member desiring to vote must do so in person. After all ballots have been cast, the Election Committee retires to count and tabulate the ballots. This should take place in the Service Chapter room.

In the case of a tie vote, the nominees may elect to have the presiding officer flip a coin, cut cards, or choose to have another election for that office, with only the tied nominees being considered.

Regardless which method is used (Australian ballot or election during the hour preceding the regular meeting) the election will conclude when the meeting is called to order. The Election Committee must have sufficient time to count and tabulate the ballots and give the results to the presiding officer who announces the election results. This announcement is the last item of business before closing the meeting.

## CHAPTER EIGHT

### INSTALLATION OF OFFICERS

#### A. Requirements.

All Elected Officers shall be installed during the month of April, or at a special installation ceremony approved by the Service Chapter Board of Officers prior to April 30.

Any Past President/Regent of the Service Chapter may serve as the Installing President/Regent of her Service Chapter. In the event the Service Chapter does not have a qualified Past President/Regent (a Co-worker

who served one complete term as President) or the Past President/Regent is not available, a Past President/Regent from a neighboring Service Chapter/Chapter may be invited to serve as the Installing President. The Installation Ceremony for Service Chapter Officers is contained in the Meeting Procedures and Agendas book.

All duly elected and installed officers shall take office as of May 1.
