

Governors, Administrators, and Brothers all,

It was with great pleasure that I read an email from our State President informing me that Washington County Lodge #1966 ordered **33 dozen Tommy Moose!!** To be given to the very heart of what our Fraternity supports- "The Children" at a local hospital. The entire lodge is commended for this unselfish act of community service.

Please read this email at your next meeting under Communications and Notices, and I thank you all.

Fraternally
