**Note from the Editor**

Effective January, 2012, I will be giving up the editing of our Moose Scoop. My personal responsibilities have become more consuming and I find I no longer have the time to devote to the newsletter. I will, however, keep up the mailing list and print the labels if need be.

I encourage any of you who have some computer knowledge and feel you can devote some time to this to contact Ed Rest or Governor John McGregor at the Lodge.

**Dear Co-Workers and Brothers,**

October is always a special month - the weather gets cooler, the trees change their color and what a beautiful change it is with leaves of rust, gold and orange, everyone is buying mums and pumpkins to decorate their yards.

For the WOTM, October brings the largest fund raiser of the year. The Youth Involvement Committee, under the direction of Tina Moss, had this under control----with lots of loyal co-workers( and anyone else who will help) it ran like a charm. Donations this year will go to Little Leagues, Fire Departments, Home Meals, our Christmas Family, just to name a few. This year Michele Stotz with Family Involvement, had her committee make all the greats cakes for dessert and what a great job they did. After all desserts were eaten that night she still had cakes to donate to Henderson Church Home Meal program.

Our last breakfast of the year was a great success with Chef Debbie doing a great job as always, (nothing slows her down as she whips out eggs anyway you ask and omelets that look and taste great). Our prep cook, Teenie Man is still with us--what would we do without him. He knows that a rest from peeling 25lbs. of potatoes each month is like a vacation.

This month's chapter night is College of Regents. Please try to join us for a fun night.

**Governor's Corner**

Dear Members,

Fall is in full swing at our lodge. You can feel the energy with our weekly pool tournaments on Sunday afternoons and turkey shoots on Friday nights. Video bowling teams have resumed as well on Monday nights with a beautiful new machine. Stop by and check out the fun!

Big congrats to Tina Moss and the WOTM committee co-workers who put on a terrific crab feast again this year. The spirit of co-operation between co-workers and the brothers who helped out was amazing! Thanks also to the women for the last (for now) breakfast on Oct. 23. It was nice to sit and chat over delicious cooked-to-order eggs and fixin's.

Folks driving by Callao Moose Family Center #917 are beginning to wonder why our parking lot is so full. Great! Let's keep 'em talking about all the good stuff that's going on!

Sorry to report that the Legion 148 casino night scheduled for Nov.19 had to be cancelled, but please come out for our other two big events- the Lawn Mower Race on Nov. 5 and our Annual Pool Tournament Nov.11-13. Also on Nov.11 will be our breakfast to honor Veterans.

An "Oops and I'm sorry" to Faron Hamblin for misspelling his name last month. Tickets are sold out in the ball room for New Years but our Social Quarters will be open with some seating to those who may want to buy tickets at the door. Those of you who were in the social quarters a few Sundays ago were treated to a small sample of what we have to look forward to.

The holiday season is fast approaching. Please stop by the lodge on Thanksgiving Day to share good-will with our Moose Family. See details inside this "Scoop."

Be safe and see you soon.

Fraternally,  
Johnny Mac
