

Officer of the Month

Michael joined the Moose Fraternity in 2005 in Alamogordo, New Mexico and then transferred to Verona in 2007. He serves as the 2 year Trustee at the Verona Moose Lodge. He has one daughter which lives in Yuma, Arizona. Michael just recently retired from the U. S. Air Force with 24 years of service. He works for U. S. Security as a Security Guard. His hobbies are motorcycle riding and outdoor activities. His reason for joining the Fraternity was to be able to give back to the Community. He would like to see more members to get involved for the more we have, then the more we can get done.

From the Clubroom

We would like to wish everyone a Merry Christmas and hope to see you during the Holidays. The clubroom is booming with Monday night meetings, Tuesday's 5 for 35, Wednesday's Bar Bingo, Thursday's Pool and Corn Hole Tournaments, Fridays and Saturdays Bands and Karaoke and Sunday's Family Day and Pool Tournaments. December 18 is the Board / Employee Christmas Party so the Lodge will close early that day. Mark your calendars for December 29th 5:00—8:00. There will be an annual membership appreciation party. We will have light refreshments and door prizes. We do thank you and appreciate your support this past year. Here's wishing everyone a Merry Christmas and A Blessed New Year. Juice Grimm, Clubroom Manager

FROM THE ADMINISTRATOR

Members,

Are you ready for the Holiday Season? Again, as always, check out the Lodge website or call the new phone system. This month we have the **Best Entertainment in the Valley for the best members in the State!** So, get up on the hill and let it rock. Bring a friend and family members for some great fun and some great food. Things are really booming each week night as well with Bar Bingo, 5 for 35, Pool Tournaments and Corn Hole will start on Thursday's too.

On the membership trail, we only need 30 more to meet our Lodge quota of 81 for the year! It looks like we are headed on the right track toward another Premier Award again thanks to a great job by you—the members! Now, if you sign up seven members during May 2011 and April 2012, you will receive "FREE GAS"! Check out this campaign!

If you are interested in being on the Board of Officers next year, you need to attend classes and Lodge meetings. We are looking forward to seeing you at both levels. I want to thank you, our members, for the support this year and all year long. This is your Lodge and your Fraternity!

Starting in January 2012, Bubba Mullins will take over the entertainment bookings here at the Lodge. So, see Bubba on the band and karaoke bookings. Don't forget about the Christmas Dance Party December 16th with Seven Mile Ford Band and for the New Years Eve Dance, Free Spirit. All help is greatly appreciated and needed here at the Lodge.

Thanks to everyone, thank you for what you do, and thank you for being a Moose member. Please enjoy the website and benefits.

Respectfully,

Rodger Huffman, Pilgrim,
Lodge Administrator,
VMA State Treasurer

Hello Brothers and Co-Workers, I hope everyone will enjoy the Holidays!

Best Wishes to everyone. Hope that you will enjoy the up-coming events and dances at the Lodge.

"Fraternally",

Manny Propst, Governor

FROM THE ADMINISTRATOR

Members, I hope everyone is enjoying this nice fall colorful season in the Valley. Because, I do believe we may be headed toward a cold winter season with “snow”! Remember to sign up two members for FREE DUES! I will have the arrears list that you can pull off members that owe dues or past dues. Check out the important news and events here at the Lodge for you and your family to enjoy. Folks, we are planning a Mooseheart bus trip in May, 2012 to see the campus and get a first hand look at our fraternity. This will take care of rumors within this Lodge about our commitment to Mooseheart and Moosehaven. The campus is a cherished place for children and teens who can have a better home and education! A bus trip is also planned to Tampa, Florida in July and you may also see Moosehaven first hand. If you have any questions about the Moose, please try and come to the meetings or see someone who really knows, or check out Moose International’s website. Thanks to everyone for your dedication toward this Lodge, Mooseheart and Moosehaven.

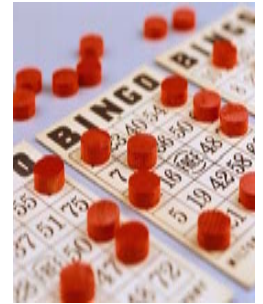

Respectfully,
Rodger Huffman, Administrator

Give us a call! The new telephone system has been installed at the Lodge. The main line is still 540-248-5932. You will have to press (1) for Entertainment (2) for Social Quarters (3) Men’s office (4) for Women of the Moose office and (5) for BINGO. Hope this helps out and your requests will be immediately answered.

BAR BINGO

Each Wednesday, starting in September we will start a new Bar Bingo game. The cost will be 50 Cents per card and we will play about 20 games. Playtime is from 6:00—8:00 PM. You will win all the money collected except one dollar per game. This dollar and all others will be put in a separate basket for the final cover-all. The games are simple—straight bingo except one cover-all. Come up on the hill and try us. You’ll have a good time!

Jr. Regent

Hello Co-Workers: Gosh, the time is flying by and the Holiday season is right around the corner. We have a lot of fun stuff planned so make sure you check out the website or inquire within the Lodge for the events planned. I would like to take the opportunity to thank everyone from the Verona and Staunton Moose Lodge for a job well done. Our fundraiser that was held Saturday October 22nd was a huge success due to the joint effort and hard work of these two lodges. So, thanks so much for all of the hard work. We are looking forward to joining together with Staunton again in the future. It was an awesome day. Co-workers, remember the women’s meetings are held the 2nd and 4th Monday’s of each month and we would love to see you come in and get involved. We have lots planned. Fun! Fun! Fun!
Sincerely,
Sandy Reavis, Jr. Regent

Chaplain

Hello Co-workers, Feels like fall is in the air, my how times fly. Co-workers, Nance Whitesell had some surgery. Doris Clark's sister, Barbara is in bad health. They have actually taken her into their home to take care of her. Triska's mother is sick and needs your prayers too. Co-workers, Frances Glen and Patricia Davis have passed away. Pam Myers is doing better! Our fund raiser we had did very well. Staunton Moose joined us with lots of help! It was great! Please let me know if there is anyone sick or distressed! Prayers go out to all.
Lisa Davenport, Chaplain

SUNDAY NOVEMBER 6TH IT'S TIME TO CHANGE YOUR CLOCKS AND KEEP IN MIND THIS FALL BACK CHECK LIST!

- **Check and replace the batteries in your smoke and carbon monoxide (CO) alarms.** Replace any smoke alarms older than ten years. Replace any CO alarms older than five years.
- Prepare a disaster supply kit for your house (*water, food, flashlights, batteries, blankets*). Once you've created your home disaster kit, use the semi-annual time change to check its contents (*including testing/replacing flashlight batteries*).
- A COLD winter is coming! Make a "winter car-emergency kit" **now** and put your vehicle! It's a good idea to carry a *car-emergency kit* in your car year-round, but be sure to add cold-weather gear to your general car-emergency kit each fall. (*Having a separate duffle/gear bag clearly marked "Cold Gear" specifically for your cold weather emergency gear makes it easy to add or take out of the car, seasonally.*) Like a Boy Scout, "Be Prepared!" In cold weather, even a very minor car problem or flat tire can be deadly serious, or at the very least, *miserable* to deal with, unless you're well prepared.
- Check home and outbuilding storage areas for hazardous materials. Discard (*properly, please*) any which are outdated, no longer used, or in poor condition. Move any which are within reach of kids or pets.
- Check and discard expired medications - **those dates really DO have meaning** - some very common over-the-counter medications can cause *serious* problems due to change through aging.
